LEVELS

Tucked away on one of the more private lots in Waterville Estates, this warm, log-sided home is a true White Mountains escape — three spacious levels with room for everyone to relax, recharge, and play. Cathedral ceilings and natural woodwork give the main level an airy, lodge-like feel, anchored by a living/dining great room and a sunlit, updated kitchen.

A brand-new media room and a finished bonus room on the walk-out lower level add versatile space for movie nights, games, or overflow guests, while recent updates — new mini-split heating and cooling, refreshed flooring and furnishings, and a new hot water heater — make it genuinely move-in or rental ready, comfortably sleeping up to ten.

Outside, a wraparound deck and a backyard fire pit sit framed by natural woods for privacy and quiet. And as a Waterville Estates owner, you unlock a resort-caliber recreation center plus day-and-night skiing minutes from the door.
